Shelli miller
Jody McBee

Derrick Grant

The Lions do not have a group coordinator; more coordinators are needed due to some groups expanding; Hot Shots now need two coordinators. Renaë Boyle announced she is stepping down from overall Group Coordinator. Cheryl is now handling the coordination of Cheer Group competitions.

Christy Bronaugh motioned for Cindy Pinnell, who is no longer with our group, be refunded her uniform money; uniform was new, never received and was passed on to someone else to use. Ruth M. seconded the motion and the motion was carried. This is a one time special case scenario. Treasurer's report from Christy as \$18100 with a remainder of \$10075 is set aside for camps.

The Parents Meeting started at 7:00 pm.

Shelli needs pictures for the portfolio being prepared for the grant TPA is applying for. Coach Donna is working on the pics; she also requires the team stats for this grant.

The Food Lion Shop and Share program was deleted and Food Lion has now implemented another program to replace it and everything has to be renewed for the new Food Lion program.

C.J. asked if noncompetitive teams will be in or out of the TPA. TPA would like to have more info on program based on giving a % toward the activity for your child's group for those who do and do not volunteer in the fundraising. Those who work will get a higher % than those who do not and

everyone would get a share but not the same. Note: This % of proceeds is not cash or personal accounts.

Cheryl announced she will be holding a Group Coordinator meeting TBA. She also mentioned a newcomers orientation specific to the groups; more personalized.

Meeting adjourned at 7:35 p.m.

Next meeting is the TPA board meeting 17 March 7 p.m.

Minutes prepared and submitted by Ruth Miller.
